

Has an exciting opportunity for an experienced
Regional Learning Centre
Permanent Full-Time Community Nurse Educator

Located within the Mississauga Halton region, the Regional Learning Centre (RLC) strengthens the skills and abilities of direct care providers in the community. The RLC provides front line staff and supervisors with the tools to improve client care through the delivery of educational sessions, focused learning, and development. This transfer of knowledge and best practice skills enables direct care providers to achieve enhanced levels of expertise and standards of care.

Reporting to the Community Nurse Education Lead, the Community Nurse Educator:

- Assists with the development of training in a multi-organizational setting.
- Teaches relevant clinical knowledge and skill to personal support workers (PSWs), supervisors and family caregivers.
- Implements and evaluates training in a multi-organizational setting.
- Effectively collaborates with community stakeholders to deliver education, training and special projects.
- Supports the MH LHIN RLC Education infrastructure and related corporate projects.
- Fosters information sharing and awareness to ensure uptake of best practices and quality service delivery.

As the successful candidate, your education and experience includes:

- A Baccalaureate degree in Nursing (required); Master's Degree in related field is an asset.
- Current registration in good standing with the College of Nurses of Ontario.
- Thorough understanding of the Principles of Adult Learning.
- Experience researching, designing, developing and delivering education.
- Recent experience working in the community sector with PSWs, clients and family caregivers.
- Knowledge of PSW scope of practice preferred.
- Certificate in Mental Health First Aid (MHFA) and/or Gentle Persuasive Approach (GPA) preferred.
- Effective communication skills and the ability to inspire, promote and motivate staff to engage in life long learning activities.
- Ability to research and reference information to ensure all created educational content is evidence informed.
- Proven leadership abilities, organizational and time management skills.
- Experience in coaching and mentoring staff.
- Ability to work collaboratively to achieve best possible quality education delivery and exceptional learning experience.
- Excellent interpersonal and demonstrated problem-solving skills.
- Excellent customer service skills and a passion for delivering exceptional service.
- Ability to work independently and successfully managing multiple tasks simultaneously.
- Proficiency with Microsoft Office Suite (Word, Excel, PowerPoint) and related technologies.

While much of the work will be conducted at the Oakville location, the successful applicant is required to have access to a reliable vehicle in order to travel to facilitate delivery of education.
